**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Competition is at the heart of a healthy capitalist system. Please keep this in mind when considering access to unbundled network elements. Monopolies are destructive to free markets. Keep the markets open so that we can maintain an open economy.

Thank you for your consideration of the views of a small business that needs access to competitive internet access.
